

DESCRIPTION

A concentrated one step cleaner/enhancer combines two time consuming tasks into one easy and quick operation. Removes deep set dirt, scuffs and heel marks, and at the same time deposits a non-discoloring lustrous, anti-slip coating which responds to immediate follow-up buffing and burnishing.

Formulated without plastics, this combination of water clear leveling and gloss enhancing resins, chosen specifically to add toughness to any compatible floor finish, is blended with surfactants chosen to remove dirt and grime without floor film damage.

May be applied by auto scrubber or damp-mop. Cleans and enhances coating for a brilliant wet-look shine when burnished with UHS burnishers. Pleasant lemon fragrance.

USAGE

Recommended for household, commercial, institutional, educational and industrial use as a one step cleaner/enhancer. Can be used also to maintain finished waxes and sealers where desired. Use in all composition flooring as well and resilient and non-resilient surfaces.

DIRECTIONS

1. Sweep floor to remove loose dirt.
2. For auto scrubber, mix 4 oz. with one gallon of water. For damp-mop, mix 2 oz. per gallon of water.
3. Scrub floor and pick up the solution in one pass or damp-mop thoroughly. Let it dry.
4. Burnish with burnisher and pad.

NOTE: Use this product at least once a week to insure continuous optimal floor appearance.

PRODUCT SPECIFICATIONS

APPEARANCE	Green, clear liquid
ODOR	Lemon fragrance
pH @ 77°F	9.5
WEIGHT / Gallon at 77°F	8.5 lbs.
SOLVENTS	None
FLASH POINT	None
FILM COMPATIBILITY	100%
FILM COLOR	Clear
SLIP RESISTANCE	Very good
PACKAGING	55- 35- 15 Gallon drums 5 Gallon pails Cases of 6/1 gallon jugs

SAFETY INFORMATION

CAUTION : May cause eye irritation.

KEEP OUT OF REACH OF CHILDREN.

FIRST AID: In case of eye contact, immediately flush eyes with plenty of water for at least 15 minutes. Then remove contact lenses if applicable. If irritation persists, get medical attention.
