## GRAFFITI & VANDALISM REMOVER

Product # 098

### DESCRIPTION

A READY TO USE formula to effectively and easily remove existing graffiti from the most difficult surfaces while being environmentally friendly. A single application will remove most graffiti from brick, metal, glass, wood, and painted surfaces. Easy to use. Biodegradable. No damage to the surface. Recommended for commercial, institutional, educational and industrial use.

### DIRECTIONS - READY TO USE

TEST IN AN INCONSPICUOUS AREA BEFORE USING.

Repeated use may soften some plastics or asphalt based tiles. May be harmful to some plastics or painted surfaces.

Apply to surface to be cleaned. Allow to work for several minutes. Wipe off with cloth or flush with strong stream of water.

**General Application:** Apply with a brush, roller or spray directly onto the graffiti and leave on for several minutes. Brush area with a nylon scrub brush. In most cases, graffiti will start to dissolve immediately. In some cases it may be necessary to re-apply and re-scrub. Coverage is up to 60-70 square feet per gallon.

**For porous surfaces:** Wet surface with clear water. Apply to surface. Wait a few minutes. Agitate with stiff brush for stubborn stains. Flush with clear water. Repeat if necessary.

### PRODUCT SPECIFICATIONS

APPEARANCE	Orange liquid
FRAGRANCE	Citrus
pH	9.3
DILUTIONS	Ready to use. Use straight.
RESIDUAL FILM	None, after water rinse
WETTING PROPERTIES	Excellent
SOIL SUSPENSION	Excellent
FOAMING	None
SHELF LIFE	1 Year in closed container
PACKAGING	55 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs

### SAFETY INFORMATION

**KEEP OUT OF REACH OF CHILDREN. DO NOT TAKE INTERNALLY.**

**CAUTION:** Avoid contact with eyes. May irritate skin.

#### FIRST AID

**SKIN:** Wash thoroughly with plenty of water and soap. If irritation develops, seek medical attention. **EYES:** Immediately flush eyes with plenty of water for at least 15 minutes. Seek medical attention. **INGESTION:** Do not induce vomiting. Seek medical attention immediately.

May be harmful to plastic or some painted surfaces.

Because it is a powerful NATURAL solvent it may irritate skin. Use of rubber gloves is recommended to avoid chapped skin.

Keep container tightly closed when not in use. Contains no petroleum distillates.
