

Window & Glass Cleaner

CLEANS AND POLISHES ALL GLASS SURFACES

With Ammonia

Product # 141

DESCRIPTION

Due to the blend of the latest ingredients available in the manufacture of glass cleaners, this product reduces wiping time, rapidly penetrates grease and grime, is non-streaking and resists finger-spotting leaving all glass surfaces sparkling clean.

WINDOW AND GLASS CLEANER is an economical, heavy-duty cleaner for any washable surface.

USAGE

Use on all glass such as: windows, doors, automobile windshields, mirrors, plate or tempered glass, show cases, display shelves, etc.

DIRECTIONS

Do not dilute. Ready to use.

Apply fine mist with atomizing sprayer to any glass surface, dry and polish with soft, lint-free cloth. Best results can be obtained by using two cloths, one for drying and one for polishing. Or spray a heavy mist on window and squeegee off.

Can be used on: glass, sealed marble, sealed granite, UV-protected windows, factory-installed low-E coated windows, mirrors, bathrooms fixtures like those made of chrome, lead or flint glass, lucite, tile, plastic, vinyl, aluminum and any other washable surface.
