

BOWL CLEANER

Cleans and Deodorizes Toilets & Urinals

Product # 150

DESCRIPTION

A powerful blend of acid and detergents which safely cleans and deodorizes toilet bowls, urinals and all porcelain surfaces. Pleasantly scented, non-fuming.

USAGE

Recommended for commercial, institutional, educational and industrial use to clean and maintain restrooms, bathrooms and porcelain surfaces which are acid-resistant.

DIRECTIONS

TOILET BOWLS: No need to remove water from bowl. Squirt product in and around bowl and under rim. Allow a few minutes to work, then thoroughly brush entire surface. Rinse and flush.

URINALS: Wet mop. Swab all surfaces including flush ring. Flush. Remove strainer. Swab inside of drain and outlet, keeping wet five minutes. Flush.

TOILET TANKS: Clean regularly with cleaner on mop and flush thoroughly.

PORCELAIN, ENAMEL: Wash Basins, Bath Tubs, etc.: Dilute with 4 parts of water. Use only if surfaces are not cracked or chipped. DO NOT USE ON PORCELAIN OR ENAMEL THAT IS NOT ACID-RESISTANT. Apply with swab or brush. Do not allow the cleaner to dry on the surface. Flush immediately with clean cold water.

SAFETY INFORMATION

DANGER: CONTAINS ACID. CORROSIVE.

MAY BE FATAL IF SWALLOWED OR ABSORBED THROUGH THE SKIN. AVOID BREATHING VAPORS. KEEP OUT OF REACH OF CHILDREN.

CONTAINS: Acid, Emulsifiers and Wetting Agents. Wear goggles or face shield and rubber gloves when handling.

ANTIDOTE: Eyes, flush with cold water for 15 minutes. Seek medical attention immediately. Skin, wipe off the acid gently, then flush with water using soap freely, then cover with moistened magnesia or baking soda. Internal, drink magnesia or small pieces of soap in water, milk or raw egg whites. Seek medical attention immediately.
