

# Wood Shine

## Hardwood Floor Cleaner

Product # 189

### DESCRIPTION

A concentrated neutral synthetic detergent cleaner that lifts the dirt and leaves the shine. Easy to use, it does not strip or dull the floor finish and needs no rinsing. Leaves a pleasant lemon fragrance. Saves time and labor because floors dry fast and with no film.

### USAGE

Recommended for commercial, institutional, educational, industrial and household use. Great for hotels, motels, cafeterias, restaurants, institutional buildings and any place you have a hard wood floor. Use on unwaxed, polyurethane finished wood floors and sealed wood cabinets.

### DIRECTIONS

Vacuum or sweep the floor to pick up loose dirt. Dilute 4 ounces of WOOD SHINE to 1 gallon of water.

Damp mop or clean cloth and wipe floor in a small area with a back and forth motion. Finish one area before moving on to the next.

For stubborn spots, rubber heel marks or sticky spills, apply cleaner directly and wipe clean with cloth or mop. If cloth or mop is soiled, replace with a clean one.

The frequency for cleaning your floor with WOOD SHINE depends on the amount of traffic and usage.

### PRODUCT SPECIFICATIONS
