

Ultra-Pure

**CARPET SPOTTER
& PRE-SPRAY**

MADE FROM REAL CITRUS

**100% ORGANIC FORMULATION
NO PETROLEUM DISTILLATES**

Product # 244

DESCRIPTION

Ultra-Pure is a carpet spotter and pre-spray that immediately removes most tough spots and stains from colorfast carpets and rugs, including ink, grease, oil, coffee, cola, etc. Ultra-Pure is made from real citrus and its organic formulation works fast on all carpet fibers, leaving a fresh citrus fragrance. Ultra-Pure emulsifies spots and stains so they can be easily removed. Ultra-Pure is biodegradable and does not contain petroleum distillates or harsh solvents. Cleaning is easy with Ultra-Pure!

BENEFITS

- * FAST ACTING
- * REMOVES MOST OIL AND WATER BASED STAINS
- * DRIES WITHOUT LEAVING SPOTS IN CARPET
- * EASY TO USE, AGITATE AND SPRAY ON
- * WILL NOT CAUSE RINGS OR COLOR CHANGES

USAGE

Recommended for commercial, institutional and industrial use.

DIRECTIONS

Test carpet in an inconspicuous area before using.

TO SPOT CLEAN/PRE-SPRAY: Vacuum thoroughly. Mix 4 oz. per gallon of warm water. Shake mixture before using. Apply with a trigger sprayer or garden type pressure sprayer. Allow to penetrate, then blot soiled area. Do not over-wet or scrub. Smooth pile.

TRANSIT AREA: Vacuum area. Mix 4 oz. per gallon of warm water. Shake mixture before using. Spray lightly on area to begin soil break-up. Continue cleaning carpet following regular instructions.

BONNET METHOD: Vacuum area. Dip bonnet into diluted solution (4 oz. per gallon of warm water). Wring out pad in a mop wringer to remove excess solution from pad. Place pad flat on carpet, with no lumps or ridges. Place machine on pad. Avoid pushing machine on and off the pad. If pad is too wet or too dry, machine operation will be difficult. Turn pad over as it accumulates soil. Wash soil out of pad in another bucket of clean water before dipping into cleaning solution. Repeat process as necessary.

Not recommended for use in any machine with rubber or plastic seals, as repeated use may damage seals or hoses.

PRODUCT SPECIFICATIONS

APPEARANCE	Clear to slight yellow
FRAGRANCE	Citrus
FLASH POINT	140°F
pH (10% Aqua Sol.)	4.0 - 6.0
WEIGHT / Gallon @ 77°F	7.00 Lbs
WATER SOLUBILITY	100%
BIODEGRADABLE	Yes
SHELF LIFE	1 Year in unopened container
PACKAGING	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 gallon jugs
