

B-4

CARPET SPOTTER & CLEANER

Product # 245

DESCRIPTION

A new concept in pre-spotting carpets prior to shampooing. Fast acting monobutyl type solution with the added power of natural citrus for the removal of most oil and water based stains before the application of shampoo. Dries without leaving spots in carpet. Easy to use: agitate and spray on. Will not cause rings or color changes.

USAGE

Recommended for commercial, institutional, educational and industrial use to help clean and maintain carpets.

DIRECTIONS

Shake well before use.

Test product in an inconspicuous area for color fastness. Vacuuming is suggested prior to using B-4 CARPET SPOTTER.

Spray a fine mist of B-4 on stains to be removed and heavily soiled areas.

Continue spraying spots until wet. Rub spot with clean white cloth or paper towel. Carpet may be shampooed while spots are still wet.

B-4 CARPET SPOTTER may also be used as a cleaning solution for carpeting using approximately 4 ounces per gallon of water.

PRODUCT SPECIFICATIONS
