

# FOAMING **ANTIBACTERIAL** **Hand Soap**

**Product # 265F**

## **DESCRIPTION**

Make your office and workplace a healthier environment by effectively reducing bacteria and germs.

The Antibacterial Hand Soap with a smooth, creamy feel, leaves your hands clean and moisturized. Excellent foaming, pleasantly scented, high concentration, biodegradable.

The convenience and total luxury of having the soap pre-lathered before washing.

## **USAGE**

Intended for use by households, hospitals, nursing homes, clinics, food processing plants, restaurants, offices, hotels, shower rooms and anywhere there is a need for an effective, antibacterial hand cleaner.

## **DIRECTIONS**

For use in a **Foam Soap Dispenser**. Air is infused into the soap as it's dispensed creating a rich, luxurious lather. Just ONE push delivers a generous portion of foam. Apply to hands and arms and massage its copious lather well into the skin. Rub well for several minutes adding small amounts of water. This will allow the skin to derive the full benefits of the outstanding cleaning agents, and the broad bacteriostatic spectrum contained in this formulation. Rinse hands and arms with water.
