

### **DESCRIPTION**

**Rinse All** is a liquid rinse additive for use in automatic dish-washing machines or hand washing, for rinsing dishes, cutlery and other kitchen utensils. It works by reducing water surface tension on washed articles and helps quick draining of utensils without streaking or spotting for a perfect drying of dishes and glasses. **Rinse All** also helps remove hard water deposits and lime scale. Leaves cups and plates sparkling clean, with a perfect shine without smudges, stains or haze.

### **FEATURES AND BENEFITS**

- \* LEAVES dishes, glasses and kitchen utensils without unwanted haze or water spots.
- \* DEFOAMING action makes water jets more effective in removing food soils.
- \* ELIMINATES hand toweling.
- \* QUICK DRYING ACTION saves time, cost and space.

### **USAGE**

Recommended for commercial, institutional, educational, industrial and household use. Use **Rinse All** in multiple applications on many sectors of industry, food processing plants, catering industry and anywhere a quick and perfect drying of dishes and cutlery is required.

### **DIRECTIONS**

#### *Automatic machines*

1. Fill rinse bottle with Rinse All.
2. Replace bottle in holder and attach rinse feed lines.
3. Operate machine as usual.

#### *Hand washing*

Add 2-4 ounces to final rinse solution. Wash as usual.

### **PRODUCT SPECIFICATIONS**

<b>APPEARANCE</b>	Clear blue liquid
<b>VISCOSITY @ 77°F cps</b>	Water Thin
<b>ODOR</b>	Mild
<b>SPECIFIC GRAVITY at 77°F</b>	0.87
<b>WEIGHT / Gallon at 77°F</b>	7.22 Lbs
<b>WATER SOLUBILITY</b>	100%
<b>pH IN CONCENTRATE</b>	7.7
<b>RINSING PROPERTIES</b>	Free Rinsing
<b>PHOSPHATES</b>	None
<b>SOLVENTS</b>	None
<b>BIODEGRADABLE</b>	Yes
<b>SHELF LIFE</b>	1 Year in unopened container
<b>PACKAGING</b>	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs
