

# D-Scent

## CONCENTRATED DEODORIZER

Product # 420

### DESCRIPTION

D-Scent chemically neutralizes the source of all malodor, leaving a pleasant, fresh fragrance to all areas where used.

Provides long lasting odor control against the hardest to eliminate odors, such as pet odors, cooking odors, odors caused by body wastes and fire produced odors.

### BENEFITS

**Fast Acting:** D-Scent quickly eliminates the source of the odor. It does not cover them.

**Long Lasting:** Provides long-lasting odor control.

**Economical:** It is a concentrated deodorizer, you can dilute it.

**Pleasant fragrance:** D-Scent leaves a very pleasant floral fragrance.

### USAGE

Recommended for Industrial, Commercial, Institutional and Household use. Convenient for use in garbage compactors, cigarette urns, linen containers, toilet bowls, refrigerators, floor drains and mopping solutions.

### DIRECTIONS

For use in lobbies, restrooms, locker rooms, storage areas, closets, hotel rooms, air conditioner ducts, hospital rooms, dining rooms, kitchens, meeting rooms, etc.: Use 3 oz. per gallon of water. For best results use the trigger sprayer method.

For cleaning cigarette urns, garbage cans, garbage compactors, toilets, urinals and other places where stronger odors linger: Use 6 oz. per gallon of water; for best results use by applying directly to the source of the odor.

D-scent can be used in mop buckets or carpet shampoo solution tanks to keep floors and carpets freshly scented.

NOTE: The color of this product may darken slightly over time. This is due to natural ingredients and odor neutralizing additives. This is completely normal and will not affect the performance or fragrance of the product.

### PRODUCT SPECIFICATIONS

APPEARANCE	Light amber liquid
