

# Odor Guard

## CHUTE LUBE & DEODORANT

Product # 426

### DESCRIPTION

Concentrated chute lubricant and deodorizer formulated from a unique blend of natural and environmentally friendly ingredients to provide a powerful deodorizing action. Kills odors in garbage chutes, trash rooms, dumpsters and compactors. Lubricates chute so garbage will not stick between floors. Deodorant action lasts a long time. Eliminates odors instead of covering them.

### BENEFITS

- \* EASY TO USE, spray and let it work.
- \* DOES NOT CONTAIN harmful chemicals.
- \* BIODEGRADABLE and Non-Toxic.
- \* DEODORANT ACTION lasts longer.
- \* PLEASANT Peppermint fragrance.

### USAGE

Recommended for commercial, institutional, educational and industrial use, same way as any other water-based cleaner.

### DIRECTIONS

Dilute with 5 parts water and pour down from top floor garbage chute.

Use a pressure sprayer and spray inside each door on each floor.

Spray in and around dumpster or compactor, trash receptacles, etc., daily or as needed to eliminate odors.

### PRODUCT SPECIFICATIONS

APPEARANCE	Amber liquid
FRAGRANCE	Peppermint
VISCOSITY @ 77°F	600 CPS
SOLVENTS	None
FLASH POINT	None
WATER SOLUBILITY	100%
pH IN CONCENTRATE	11
