

# Q-Cote

## PROTECTIVE COATING & FORM RELEASE

Product # 458

### DESCRIPTION

Q-Cote is a ready-to-use, sprayable liquid that forms a transparent coating to prevent concrete from sticking to windows, door bucks, forms, equipment and accessories coming in contact with concrete. Reduces time and labor of form cleaning and repairing. Reduces the accumulation of concrete buildup on form surfaces. Makes clean up easier! You can also spray Q-Cote on trash collection trucks and dumpsters to keep garbage from sticking.

### USAGE

Recommended for industrial use. A must for on-site construction facilities, prestressed and precast concrete plants, cement and concrete production plants and others. Great for use on ready mix concrete trucks and tools.

### DIRECTIONS

This product is ready to use. No mixing necessary. Apply by spraying, with a brush or cloth. Dries in 30 minutes. For long term protection, allow to dry and apply a second coat.

Q-Cote may be removed with Quality Chemical Speed Sol, All-Purpose Cleaner or mineral spirits.
