

# fumeless Drain Opener

**READY-TO-USE • HARMLESS TO PLUMBING**

**Product # 471**

## **DESCRIPTION**

Fumeless Drain Opener is a ready to use drain cleaner that removes the toughest clogs from any drain quickly. Dissolves obstructions caused by grease, hair, soap scum, paper, lint, food and other organic matters. No need to remove standing water. It works its way into the obstructed outlet with positive penetrating and wetting action. Will not harm plumbing. Safe for use with plastic pipes.

## **USAGE**

Recommended for institutional and industrial use to dissolve obstructions in drain pipes, toilets, sinks, floor drains.

## **DIRECTIONS**

Pour at least one pint directly into drain. Allow to stand 30 minutes or more. Repeat in 1 hour, if necessary. Extremely heavy grease or root stoppage may require standing overnight. Drain may need plunging after half hour to remove air pockets, large basement drains may require 3 or 4 quarts to fully clear pipes. After following above directions. Flush drain with hot water.

Drains can be kept open and running freely by use of this product twice a month.
