MAG BRITE

Product # 490

DESCRIPTION

Clean your wheels in one single step: MAG BRITE WHEEL CLEANER is an amazing rim cleaner and degreaser that does not need any scrubbing and goes to work instantly, penetrating and releasing brake dust, road grime and grease on contact for a real deep cleaning. Apply directly to cool wheel and rinse-off. Great for brake dust in nooks, crannies and crevices. No brushes, no swabs or rags; using this product is easy!

USAGE

Recommended for household, commercial, institutional and industrial use.

DIRECTIONS

Do not apply to hot wheels. Allow wheels to cool before use.

1. Wet wheel with clear water.
2. Spray MAG BRITE liberally on rim.
3. Allow to penetrate for 2-3 minutes.
4. Rinse thoroughly with clear water.

Do not allow product to contact car finish. Do not mix with any other compound. Avoid splashing on nylon and cotton. Do not use on uncoated rims. Contains acid.
