

Wash & Wax

Washes & Waxes in ONE Easy Operation

Product # 502

DESCRIPTION

We care about you getting great results and the awesome finish you deserve for your car. Wash & Wax is the ultimate solution to clean and maintain your vehicle or boat. No more headaches about which car wash or which kind of wax to use. Wash & Wax is a specially formulated streakless car wash that washes and waxes in one single operation. Contains a top of the line, space age additive to protect the luster of your car. Saves time and labor. Attacks grease, grime and road film, but not the finish. Will not dull the finish and will not affect acrylic or melamine finishes. Also contains a polymer wax emulsion for weatherproofing and adding a gloss to the finish of the car. It is fast acting, quick drying, non-streaking and leaves the car with high shines that beads water. Fantastic grape fragrance too!

USAGE

Recommended for commercial, institutional, industrial or household use. Yields superior results with any type of water.

DIRECTIONS

Rinse off the car with a stream of water.

For manual car washing, dilute 4 ounces of concentrate per gallon of water. Wash as usual, rinse and dry.

For high pressure machine car washing, dilute 2 ounces of concentrate per gallon of water. Wash as usual. Rinse with water and dry.

According to seasonal temperatures and job difficulties, the dilution may be adjusted.

PRODUCT SPECIFICATIONS

APPEARANCE	Purple, opaque emulsion
VISCOSITY @ 77°F cps	350 cps
FRAGRANCE	Grape
FLASH POINT	None
WEIGHT / Gallon at 77°F	9.5 lbs.
WATER SOLUBILITY	100%
pH IN CONCENTRATE	8.3
RINSING PROPERTIES	Excellent
SOLVENTS	None
PHOSPHATES	None
BIODEGRADABLE	Yes
SHELF LIFE	1 Year in unopened container
PACKAGING	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs
