

The Cleaner  
That Always Works!

# RED POWER

## DEGREASER & CLEANER

Product # 549

### DESCRIPTION

The cleaner that always works! RED POWER is a water-based, industrial strength degreaser and cleaner formulated to remove heavy grease, oil, carbon and other solid and liquid organic deposits from any surface not damaged by water. RED POWER is non-flammable, non-toxic and does not contain naphtha or chlorinated solvents or benzene. RED POWER is highly concentrated and economical, just add water for the specific job you want to perform.

### USAGE

Recommended for commercial, institutional, industrial and household use. RED POWER is perfect for sinks, ovens, grills, air filters, walls, floors, buses, trucks, airplanes, drill presses, engines and more.

### DIRECTIONS

**CONCRETE FLOORS:** Dilute with 10 parts of water. Apply, rinse the surface with water and let it dry.

**WALLS, PAINTED WOODWORK, ETC:** Dilute with 40 parts of water. Apply to dirty surface, wipe off with a clean cloth.

**TO REMOVE MILDEW AND FUNGUS FROM WALLS:** Dilute with 30 parts of water.

**PLASTIC, VINYL, LEATHER UPHOLSTERY:** Dilute with 20 parts of water. Apply to surface to be cleaned. Allow to react for a few minutes. Wipe off with a clean cloth. Use warm or hot water for increased strength.

**AUTOMOTIVE USES.** For degreasing automobiles and heavy equipment, engines: Spray full strength or dilute with 5 parts of water according to the degree of accumulated grease. Allow to soak 15-20 minutes, agitate, then rinse off with a strong stream of water.

Whitewall tires, convertible tops: Dilute with 5 parts of water. Spray solution on. Allow to remain on the surface for a few minutes. Scrub with a stiff brush. Rinse with a stream of water.

**FOR CLEANING PAINTED AND UNPAINTED MACHINERY AND EQUIPMENT.** Tool and die stamping machines, newspaper presses, bottling equipment, fogging and mosquito control machinery: Dilute with 20 parts or water depending upon degree of soiling. Apply by spraying, wiping or brushing. Allow to soak 5-10 minutes. Rinse off with water.

### PRODUCT SPECIFICATIONS

APPEARANCE	Clear red liquid
ODOR	Mild
VISCOSITY @ 77°F cps	Water Thin
SPECIFIC GRAVITY at 77°F	1.06
pH IN CONCENTRATE	11.5 - 12.0
FLASH POINT	None, non-flammable
WATER SOLUBILITY	100%
SHELF LIFE	1 Year in unopened container
PACKAGING	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs

### SAFETY INFORMATION

KEEP OUT OF REACH OF CHILDREN. DO NOT TAKE INTERNALLY.

CAUTION: CONTAINS ALKALINE DETERGENTS. MAY BE HARMFUL IF SWALLOWED.
