

# Mad Dawg

## Ammoniated Extra Heavy-Duty Stripper & Degreaser

Product # 570

### DESCRIPTION

An extra heavy-duty degreaser-cleaner plus stripper fortified with ammonia for the toughest industrial applications. Quickly and easily lifts grease, grime, dirt and oil. Great for cleaning tough jobs on nearly every surface.

### USAGE

For use on sinks, buses, trucks, ovens, grills, air filters, concrete floors, walls, painted woodwork, plastic, vinyl, leather, machinery and equipment, whitewall tires and others.

### DIRECTIONS

May react with aluminum or painted surfaces. Rinse off immediately.

**CONCRETE FLOORS:** For removing oil, grease, dirt and heavy grime, mix 13 oz. per gallon of water. Rinse the surface with water and let dry.

**WALLS, PAINTED WOODWORK, ETC.** Dilute 3 oz. per gallon of water. Apply to dirty surface, wipe off with a clean cloth. **TO REMOVE MILDEW AND FUNGUS FROM WALLS:** Dilute 4 oz. per gallon of water. **PLASTIC, VINYL, LEATHER, UPHOLSTERY:** Dilute 6 oz. per gallon of water. Apply to surface to be cleaned. Allow to react for a few minutes. Wipe off with a clean cloth. **IF HOT OR WARM WATER** is available, it will increase the cleaning power.

**AUTOMOTIVE USES:** For degreasing automobiles and heavy equipment, engines, spray full strength or dilute with 5 parts of water according to the degree or accumulated grease. Allow to soak 15 to 20 minutes. Then, rinse off with a strong stream of water. **FOR CLEANING PAINTED AND UNPAINTED MACHINERY AND EQUIPMENT:** Tool and die stamping machines, newspaper presses, bottling equipment, fogging and mosquito control machinery, dilute 6 oz. per gallon of water, depending upon degree of soiling. Apply by spraying, wiping or brushing. Allow to soak 10 minutes. Rinse off with water. **WHITEWALL TIRE, CONVERTIBLE TOPS:** Dilute 7 oz. per quart of water, depending upon degree of soiling. Spray solution on, allow to remain on surface a few minutes. Scrub with stiff brush. Rinse with a stream of water.

### PRODUCT SPECIFICATIONS

APPEARANCE	Clear yellow liquid
ODOR	Ammonia
pH IN CONCENTRATE	12.0
FLASH POINT	None, non-flammable
WEIGHT / Gallon at 77°F	8.84 lbs.
PHOSPHATES	None
SOLVENTS	Yes
TOXICITY	Moderate
BIODEGRADABLE	Yes
SHELF LIFE	1 Year in unopened container
PACKAGING	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs

### SAFETY INFORMATION
